We all know that fresh air and exercise are important to our health and well-being. Did you also know there is a scientific connection between generous behavior and happiness, health and longevity? We're offering the opportunity to put all these together: exercise in the fresh air while raising funds in support of Parkview LaGrange Emergency Services!

On Friday, June 18th, outdoor enthusiasts will have the opportunity to participate in a scenic and leisurely paddle down the beautiful Pigeon River. This 1st Annual "Paddle for Parkview" event is being hosted by The Trading Post in Mongo, Indiana. Come enjoy this family friendly event on one of the natural bodies of water in LaGrange County. Your participation supports the efforts and outreach programs of the Parkview LaGrange Emergency Department and the Parkview LaGrange County EMS.

You are invited to join us on the river for an afternoon of outdoor fun and dinner on June 18th. To register for this event, contact the Parkview LaGrange Foundation office at 463-9004, email jennifer.will@parkview.com or go online to Foudations.Parkview.com.
