

Get ready for flu season.

The Centers for Disease Control and Prevention (CDC) recommends that all people who want to reduce the risk of complication from influenza receive an annual flu vaccine.*

Parkview Home Health & Hospice is providing seasonal flu and pneumonia vaccines for people age 9 and older.

Parkview Home Health & Hospice will host flu and pneumonia vaccine clinics throughout northeast Indiana this fall.

* The CDC's Advisory Committee on Immunization Practices promotes vaccination as a method of reducing preventable diseases in the United States.
