

PARKVIEW EMPLOYER CLINIC PROVIDERS

Parkview EmployerClinics are comprised of a care team of providers and other medical professionals who collaborate to provide comprehensive care to all Employer Clinic patients. Our care team will partner with your primary care provider to ensure consistent, exceptional, and cost-effective care.

Justin Garrison, FNP-C

Justin Garrison, FNP-C, received associate degrees in medical assisting and nursing from Ivy Tech Community College in Fort Wayne. He went on to earn a master's degree in nursing from the University of Saint Francis. Justin is a board-certified family nurse practitioner and a member of the American Association of Nurse Practitioners and Sigma Theta Tau International Honor Society of Nursing.

Justin chose a career in healthcare because he wanted to make a difference in people's lives. He takes pride in providing respectful, personal, patient-centered care.

Geoffrey Gephart, FNP

Geoffrey Gephart, FNP, received his Bachelor of Science and Master of Science degrees in nursing from the University of Saint Francis in Fort Wayne, Indiana. He is a board-certified family nurse practitioner through the American Academy of Nurse Practitioners.

Geoffrey pursued a career in medicine to satisfy his life-long interest in physiology and pathophysiology and his desire to help others resolve the problems that impact their quality of life. He finds the relationships he develops with patients to be particularly fulfilling. Geoff also enjoys working with other personable and highly competent members of our care team.

Brittney Harmeyer, FNP

Brittney Harmeyer, FNP, graduated with a Bachelor of Science in nursing from the University of Cincinnati. She is a board-certified family nurse practitioner through the American Academy of Nurse Practitioners and upon receiving her master's degree was inducted into the Sigma Theta Tau International Honor Society of Nursing.

Brittney decided to become a nurse practitioner to help promote and help people maintain a healthy lifestyle through education and preventive health care.

Christina Lucas, FNP

Christina Lucas, FNP, received her Bachelor of Science and Master of Science degrees in nursing from the University of Saint Francis in Fort Wayne, Indiana. She is board certified by the American Nurses Credentialing Center.

Medicine has allowed Christina to combine two things she is passionate about: education and helping people. She loves people, meeting her patients where they are, and serving small communities to better relate to whom she is providing care.

Brenda O'Hara, MD

Brenda O'Hara, MD, earned her medical degree at Indiana University School of Medicine in Indianapolis, Ind. Dr. O'Hara finished her family practice residency at Fort Wayne Medical Education Program in Fort Wayne, Ind. She completed her fellowship at University of North Carolina in Chapel Hill, N.C.

Dr. O'Hara is board certified by the American Board of Family Practice and a member of the American Academy of Family Physicians, Indiana Academy of Family Physicians, and the Society of Teacher of Family Medicine. Dr. O'Hara also serves as the medical director for Parkview Employer Clinics.

Christina Surine, FNP

Christina Surine, FNP, earned her Bachelor of Science degree in nursing from Purdue University in Fort Wayne, Indiana. She received her Master of Science degree in nursing from the Indiana Wesleyan University in Marion, Indiana. She is a member of the American Academy of Nurse Practitioners.

Christina pursues a career as a nurse practitioner to aid in improving the health outcomes of patients by promoting healthy lifestyles. She has a passion to help people and wants to make a positive difference in their lives through education, health promotion and preventative care.

Stephanie Trice, FNP

Stephanie Trice, FNP, received her Bachelor of Science degree in psychology and Master of Science degree in social administration from University of Georgia Southwestern State University in Americus, GA. She earned her Associate of Science and Master of Science degrees in nursing from the University of Saint Francis in Fort Wayne, IN. She is board certified through the American Academy of Nurse Practitioners.

Stephanie became a nurse practitioner to help improve the quality of life of patients across their life span with each patient encounter. Her favorite part of employee medicine is being able to witness the overall wellness in physical and mental health through a patient's journey with a collaborative approach.

Meghan Warrix, FNP

Meghan Warrix, FNP, earned her Bachelor of Science degree in nursing from the University of Saint Francis in Fort Wayne, Indiana. She received her Master of Science degree in nursing from Ball State University in Muncie, Indiana. She is a board certified family nurse practitioner through the American Association of Nurse Practitioners.

Meghan likes working with patients to produce a solution to their ailments and believes that arming patients with as much knowledge as possible gives them the ability to make impactful decisions about their health.
