

PARKVIEW EMPLOYER CLINIC PROVIDERS

Parkview Employer Clinics are staffed by a team of experts who work together to provide comprehensive care. They will partner with your primary care provider to ensure consistent, exceptional, and cost-effective care.

David Li, MD

David Li, MD, earned his medical degree from the School of Medicine at Jinan University. He also received his master of computer science from San Diego State University. Dr. Li completed his residency as part of the Fort Wayne Medical Education Program. He is board certified through the American Academy of Family Physicians.

Dr. Li chose to pursue a career in healthcare to help people. He is passionate about making a positive impact on patients' lives and improving overall well-being.

Dr. Li enjoys working in employer clinics because of the effective practice model, which benefits both patients and employers. He values the focus on cost savings, accessibility, and delivering high-quality care.

Brenda O'Hara, MD

Brenda O'Hara, MD, earned her medical degree at the Indiana University School of Medicine in Indianapolis. Dr. O'Hara completed her family practice residency as part of the Fort Wayne Medical Education Program. She completed her fellowship at the University of North Carolina.

Dr. O'Hara is board certified by the American Board of Family Medicine. She is a member of the American Academy of Family Physicians, the Indiana Academy of Family Physicians, and the Society of Teachers of Family Medicine. Dr. O'Hara also serves as the medical director for Parkview Employer Clinics.

Justin Garrison, FNP-C

Justin Garrison, FNP-C, received associate degrees in medical assisting and nursing from Ivy Tech Community College in Fort Wayne. He went on to earn a master's degree in nursing from the University of Saint Francis in Fort Wayne. Justin is a board-certified family nurse practitioner and a member of the American Association of Nurse Practitioners and Sigma Theta Tau International Honor Society of Nursing.

Justin chose a career in healthcare because he wanted to make a difference in people's lives. He takes pride in providing respectful, personal, patient-centered care.

Geoffrey Gephart, FNP

Geoffrey Gephart, FNP, received his bachelor of science and master of science degrees in nursing from the University of Saint Francis in Fort Wayne. He is a board-certified family nurse practitioner through the American Academy of Nurse Practitioners.

Geoffrey pursued a career in medicine to satisfy his lifelong interest in physiology and pathophysiology and his desire to help others resolve the problems that impact their quality of life. He finds the relationships he develops with patients to be particularly fulfilling. Geoffrey also enjoys working with the other personable and highly competent members of our care team.

Brittney Harmeyer, FNP

Brittney Harmeyer, FNP, graduated with a bachelor of science in nursing from the University of Cincinnati. She is a board-certified family nurse practitioner through the American Academy of Nurse Practitioners and is a member of the Sigma Theta Tau International Honor Society of Nursing.

Brittney decided to become a nurse practitioner to help people maintain a healthy lifestyle through education and preventive health care.

Megan Hartsell, FNP

Megan Hartsell, FNP, earned her bachelor of science in nursing from Purdue University. She received her master of science in nursing from Ball State University. Megan is a board-certified family nurse practitioner through the American Association of Nurse Practitioners.

Megan has always had a passion for helping others. She enjoys working as part of the employer clinic care team because she can focus on preventive care and promoting healthy lifestyles.

Christina Lucas, FNP

Christina Lucas, FNP, received her bachelor of science and master of science degrees in nursing from the University of Saint Francis in Fort Wayne. She is board certified by the American Nurses Credentialing Center.

Medicine has allowed Christina to combine two of her passions: education and helping people. She loves people, meeting her patients where they are, and serving small communities.

Amber Ritter, NP

Amber Ritter, NP, earned her bachelor of science and master of science degrees in nursing from the University of Saint Francis in Fort Wayne. She is a board-certified nurse practitioner through the American Academy of Nurse Practitioners and a member of the Coalition of Advanced Practice Nurses of Indiana.

Amber wants to help patients improve their health through lifestyle medicine, which includes proper nutrition, exercise, and stress management. She is excited to be part of the team at Parkview Employer Clinics because of their emphasis on using lifestyle medicine to help prevent chronic illnesses.

Christina Surine, FNP

Christina Surine, FNP, earned her bachelor of science degree in nursing from Purdue University Fort Wayne. She received her master of science degree in nursing from Indiana Wesleyan University. She is a member of the American Academy of Nurse Practitioners.

Christina chose a career as a nurse practitioner to aid in improving the health outcomes of patients by promoting healthy lifestyles. She has a passion to help people and wants to make a positive difference in patients' lives through education, health promotion, and preventive care.

Stephanie Trice, FNP

Stephanie Trice, FNP, received her bachelor of science degree in psychology and her master of science degree in social administration from Georgia Southwestern State University. She earned her associate of science and master of science degrees in nursing from the University of Saint Francis in Fort Wayne. She is board certified through the American Academy of Nurse Practitioners.

Stephanie became a nurse practitioner to help improve the quality of life of patients across their lifespan with each patient encounter. Her favorite part of employee medicine is being able to witness improvements in physical and mental wellness through a patient's journey with a collaborative approach.

Meghan Warrix, FNP

Meghan Warrix, FNP, earned her bachelor of science degree in nursing from the University of Saint Francis in Fort Wayne. She received her master of science degree in nursing from Ball State University. She is a board-certified family nurse practitioner through the American Association of Nurse Practitioners.

Meghan likes working with patients to produce a solution to their ailments and believes that arming patients with as much knowledge as possible gives them the ability to make impactful decisions about their health.
