Parkview Ortho Hospital is the first specialty hospital in northeast Indiana devoted solely to orthopedic surgery and post-surgery patient care. Our state-of-the-art facilities include an inpatient unit, an inpatient rehabilitation gym and Ortho NorthEast medical offices. With our joint venture partner Ortho NorthEast, we provide breakthrough technologies, as well as advanced orthopedic surgeries and treatments for:

- Arthritis
- Hand and foot surgery
- Neck and spine surgery
- Fractures and sprains
- Sports injuries
- Pain management
- Total and partial joint replacement surgery
- Work-related injuries

SERVICES/FACILITIES

Surgery: eight surgical suites and one procedural suite

Diagnostic Services/MRI

Telemedicine: eight surgery suites and one procedure room, and the audio/video capabilities necessary for two-way communication between the surgery team and others at a remote location

Rehabilitation Services:

- Inpatient physical and occupational therapy
- Gym for inpatient physical and occupational physical therapy
- Outpatient therapy available through Parkview TherapyONE
- Parkview Athletic Rehabilitation
- Ortho Express walk-in clinic

Pre-operative education classes: Comprehensive classes designed to educate patients and their support persons about orthopedic procedures and their respective recovery processes. Classes are offered for spinal fusion surgery, shoulder surgery, knee surgery and more.

Transportation is available to and from your car.
