

# PARKVIEW SURGERYONE

11420 PARKVIEW CIRCLE, ENTRANCE 6  
FORT WAYNE, IN 46845 | 260-266-6300

**2022**

**Date opened:** July 2010

**Organizational structure:**

- A joint venture between Parkview Ortho Hospital and Ortho NorthEast
- Licensed Ambulatory Surgery Center
- Member of Parkview Health

**Size/Campus:** 65,000-square-foot, freestanding facility on the Parkview Regional Medical Center campus

**Medical Staff Members:** 34 Board Certified or Board Eligible Physicians in Orthopedics, Anesthesia, Podiatry and Pain Management

In 1990, Orthopedics NorthEast (ONE) became the first orthopedic group in the region to open a freestanding outpatient surgery center. In 2010, a 65,000 square-foot facility was built on the Parkview Regional Medical Center campus, and later in 2013, ONE partnered with Parkview Ortho Hospital and renamed the facility Parkview SurgeryONE.

Parkview SurgeryONE offers same-day outpatient surgery to nearly 7,000 patients every year. Procedures commonly performed at the facility include:

- Arthroscopic knee and shoulder surgeries
- Lumbar and cervical spine discectomies
- Anterior cruciate ligament (ACL) reconstructions
- Rotator cuff repairs
- Carpal tunnel releases
- Trigger finger releases
- Bunionectomies
- Surgical corrections of ankle and foot deformities
- Fracture treatments
- Selective nerve root injections (pain blocks)
- Total hip replacements, including anterior and posterior approaches
- Total knee replacements
- Total shoulder replacements
- Total ankle replacement
