Student Parking & Badges

At Parkview, we prioritize the needs of our patients and families by offering them the safety and security while in our facilities. We also try to meet their needs by offering them the closest, most convenient parking.

We ask that faculty and students park in the assigned lots at each location and have the appropriate student parking tags displayed in their vehicles. This helps us ensure that our patients and families are best served at Parkview Health. Failure to park in assigned lots may results in corrective action, ticketing, towing of the vehicle at the owner’s expense, and/or suspension of the student’s learning experience.

Identification badges are part of our standards of appearance, safety and security measures, and accreditation. The information in this packet outlines our expectations for student parking and badges.
STUDENT PARKING – PRMC
Parkview Regional Medical Center (11109 Parkview Plaza Drive –Fort Wayne, IN)

For Questions or Concerns contact Security at 260-266-1800

**Day/Evening Parking:**
For student experiences anywhere on the PRMC Campus students/ instructors are only permitted to park at the designated co-worker parking lot (see red outlined area on attached PRMC Campus map), please ride the shuttle or walk to the Entrance at Medical Park 11.

All other parking is reserved at this time for guests and additional co-workers.

Students may not park in patient or physician parking areas close to the hospital building or the underground garages (unless on a night/overnight assignment). Students may not use the guest valet parking services during learning experiences.

**Please allow 20-30 minutes extra time to get from your vehicle to entrances.**

**Designated Shuttle:**
We have set up a designated route for the shuttle. The shuttle will make regular stops at the co-worker parking lot for students and instructors.
- The PRMC campus’s dedicated shuttle routes – featuring new, additional shuttles – will ensure students have ample, timely transportation to two designated drop-off locations at PRMC. During peak times of ridership, there will be up to five shuttles running simultaneously.
- There will be signs on the door of each shuttle that will inform students as to the drop-off point(s) for each shuttle. Please read the signs carefully, and ask the driver if there is any confusion about where the shuttle will be taking you. The shuttle drivers have been advised that they are not to change their routes in order to make sure that everyone can get to their destination in a timely manner. Remember—the shuttle drivers are only doing what they have been directed to do.

Students may park in the regular hospital parking lot in the rows furthest from the building.

Parkview Warsaw Hospital (1355 Mariners Drive, Warsaw, IN):
Students may park in the regular hospital parking lot in the rows furthest from the building.
STUDENT BADGING – All Facilities
Students must wear school identification and Parkview Student ID Badge at all times.

Safety and security are very important at Parkview. We want all guests, patients, and co-workers at any of our Parkview facilities to feel safe while they are here. You can help us achieve this by always wearing your student badge. This helps co-workers identify you as a student, as well as help them identify any persons that should not be in the department or facility. It is also important that all students turn in their badges at the end of their learning experiences. This helps us keep track of what students are visiting our facilities in case of any emergencies. You play a big part in keeping our hospitals safe and ensuring that we offer nothing but the best for our patients and co-workers.

Students will receive further instruction from Student Services on the type of badge needed. The type of badge will be assigned according to the type of student experience and location. Students are responsible for taking care of their badges and ensuring they are returned to instructors upon the end of their learning experience.

Students will be dismissed from learning experiences if they arrive at the facility without a badge.

Badges should be worn above the waist, preferably upper to mid chest-level for easy view.

**Picture Badges:**
Students who will receive picture badges must go to the badging office prior to their first day to obtain these.

The badging office locations and hours are as follows:

- **Parkview Regional Medical Center:** Entrance 2B, 1st floor near Family Birthing Center inside Human Resources
  - Monday – Friday 07:00-15:00
  - No Appointment Required

- **Parkview Randallia:** Entrance 4, 1st floor of the State Tower, in the first hallway past the glass stairwell.
  - Tuesday & Thursday 06:00-16:30
  - No Appointment Required

**Standard Badge:**
Students who will receive standard badges will receive them on the first day of their learning experience.

**Lost Badge:**
Lost badges must be reported immediately to Student Services. A $20 badge replacement fee will be charged for any lost or unreturned badges.
