Dear Coach, Parent, Players-

We are again looking forward to having your team compete with other highly respected teams in the La Porte Invitational on August 20, 2022. Please note the following information.

-Each team will be playing four matches. Please supply your own warm up balls.

-Each match begins approximately 10 minutes after the previous match.

-Tournament begins **9:00 am central time***

-Normal 7 ½ minute warm ups allowed the first time your team plays. 4 minute individual warm ups will be allowed on the match court the rest of the day.

-After play begins there is no time schedule. Matches will be continuous until all play is completed.

-Scorers, line judges and libero trackers will be provided for each match.

-2 out of 3 games will be played to 25 no cap. Third game is to 15 with no cap.

-With three teams in a pool, it becomes very possible that ties will result after the pool play. For this reason, the following tie-breaking method will be used.

1. Three way tie. Least number of games played in a match won.
2. If all teams remain tied, the least number of points allowed in a match won.
3. If any two teams are tied, head-up competition.

-There is no smoking on LPCSC grounds.

-Please eat in the cafeteria. No coolers in the gyms.

-There will be a concession stand open with various items to purchase.

Ticket Prices are as follows: 9:00am-2:00pm- \$8.00 all day
